Robert and Frances Fullerton Museum of Art

Kids Discover Egypt 2-Day Art Workshop

Experience the Past • Connect with the Present

EXPLORE ANCIENT EGYPT THROUGH ART

2-Day Workshop

July 17-18, 9:00 a.m.-3:30 p.m.
July 19-20, 9:00 a.m.-3:30 p.m.

Each year, the Robert and Frances Fullerton Museum of Art (RAFFMA) at CSUSB organizes Kids Discover Egypt: 2-Day Art Workshop, for ages 9-12. This popular program brings in 4th-6th grade students from neighboring communities throughout San Bernardino County. The workshop includes many educational and hands-on activities, including a special tour of the museum's extensive collection of ancient Egyptian antiquities.

Participating students learn about Egyptian history, culture and art. Led by RAFFMA staff, children participate in a variety of activities like clay art projects, creating cat "mummies," making beads from authentic ancient Egyptian molds, and excavating a mock archaeological dig. Students also learn basic art concepts and vocabulary that are applied to each of their hands-on projects for a cross-curricular workshop.

The hard work and creative imagination of all the participants result in a fun learning environment, which opens an entirely new world of art to young minds.
